why do I care tho

How did you learn?

Animators' Hall

Animators' Hall

(RIP)

MacFreakz

“PLUGINS”

sickHeaderJS()

sickFooterJS()

MacFeats*

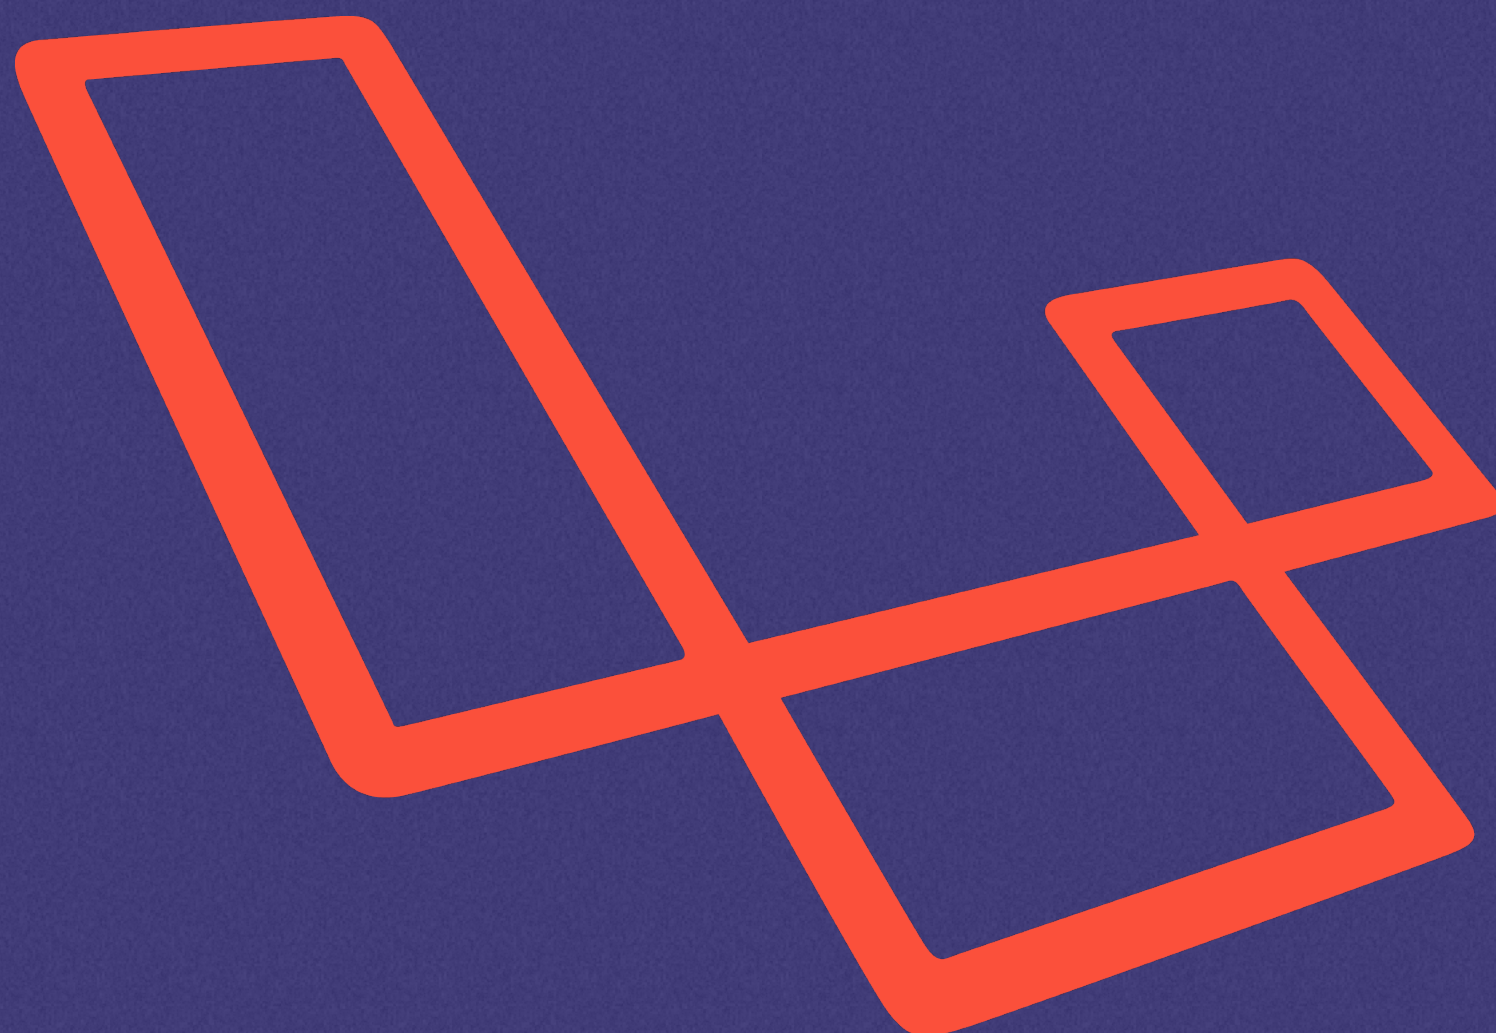

THEME

```
<sickhtml>
```

```
.sickcss {  
  wow: such-style;  
}
```

THE ACTUAL LOGIC

sickphp()

@sicktemplates

where's the punchline tho

Forums taught me
how to hack

Forums taught me
how to theme

Forums taught me
how to code

Forums taught me
how to be a decent person

Conclusion: Forums++

(or something similar in scope)
